BASE BID DESCRIPTION:

Work consists of clearing and grubbing the existing railroad right of way to limits as shown on plan, remove and dispose of existing railroad rails and ties (including loose ties setting on the right of way at various locations), construct earthen trail access ramps, re-grade existing railroad ballasts, place stone base, place asphalt pavement, convert six existing railroad bridges to trail bridges and restore turf.

CBDP concurs with the DBE participation for the above recommended Bid. Please refer to the approved Form DBD-014C attached to the bid recommendation.
